******CHECK IN******

We realize there's no place like home, but we will try to make your pet's stay with us as comfortable as possible. To help assure that every pet's stay is pleasant and comfortable we do require that all pets staying with us are current on their immunizations and free of parasites.

VACCINATIONS: For the protection of all pets, any necessary vaccinations must be given if due when your pet is admitted for boarding.

PARASITES: All pets must be free of internal parasites (worms) and external parasites (fleas and ticks), or they will be treated upon entry at the owner's expense.

Has your pet had any flea medications in the past 30 days YES/NO. If yes, what product was used and when was it administered? _____

REQUIRED PROCEDURES:

Rabies Vaccine (1 or 3 year)

FVRCP Vaccine (1 or 3 year)

Fecal Floatation Test (w/in 6 months)

A wellness exam will be performed if the pet has not been seen by one of our veterinarians and needs an updated vaccination or if a vaccine is due and the pet has not been examined within the last (6) months.

OPTIONAL PROCEDURES:

Annual Lab Work/Heartworm Test (Checked Annually)

ADDITIONAL PROCEDURES DUE OR SPECIAL INSTRUCTIONS:
